

*“I was nervous about my first full-time job after placement, but each day at Everyday Independence has made me more confident and independent.”*

– Siena OT

*“Having a varied case load and giving me the space to understand what my interest areas are has been super helpful in developing my identity as a clinician.”*

– Hannah OT

## Explore your true passions. Ignite your career with our graduate program.

**You’ve done the hard work at university, now we’re here to get your career off to a flying start.**

When you join the Everyday Flying Start program no two days are the same. You’re offered a diverse caseload, exposure across disciplines and unrivaled career progression. You will join other graduates on a tailored 12-month development program that combines on the job learning with formal training, as well as regular mentoring and coaching from industry leading therapists.

**We’re a fun, united team pushing harder to make inclusion possible for all Australians.**

On top of a package that includes a competitive salary, retail discounts, access to a car, and technology to keep you connected, you’ll be making a difference in people’s lives. You can also expect:

- > To hone your craft with our Centre for Excellence and on-demand learning
- > Support from leading therapists to become a confident social model worker
- > A dedicated Career Coach and internal career pathways
- > A Support Team who has your back – from administrators to allied health assistants
- > Genuine work life balance and social events through our Everyday Perks.

## Join our team!

We’re more than just a job. We’re trailblazers who want to make an impact.

# Your first 12-months

We build your confidence, support your aspirations and help you to enjoy work every day.

## DAYS 1-3

### Introduction

Meet other grads, the broader team and our leaders.

## WEEKS 1-6

### Deep dive into the Social Model

You'll take part in scenario-based learning and put that into practice as you work alongside some of your very first clients and their families.

## WEEK 6

Relax & unwind with other grads as part of a Wellbeing Day.

## MONTH 6

### Team challenge

Our Executive Leadership team will set you an organisation wide challenge with rewards at the end!

## MONTHS 3-6

### Hone your craft

You'll be supported by some of our best therapists to dive deeper into your discipline & build your clinical skills.

## MONTHS 6-12

### Take charge of your future

Hone your people skills & have a 1:1 session with our dedicated Career Coach to discuss your future - from leadership pathways to clinical specialisation.

## MONTH 9

Join other grads to give back as part of a Volunteer Day.

## MONTH 12

Take off as a social model trailblazer!
